

Children should sexualize

at their own goofy, dreamy pace.  
So, Pedophile, you're sent away.  
Don't worry. You'll have

the internet, and others just  
like you. The rough trade, too

also, to study springs of all  
behavior, erecting  
therein a solid, useful life.

And when ripe  
to come back,  
you cannot.
